**Dear School Community,**

***I hope everyone had a lovely Queen's Birthday Long Weekend.*** The weather was fantastic and there seemed to be plenty to do. I hope everyone had a chance to spend some quality time with family and friends.

***Our Pie Drive is now complete and all pies and pastries were picked up at the front gate yesterday.*** This has been very well supported by the greater school community and has been another successful fundraiser for the school community. On behalf of our Parents and Friends Committee, thank you!

***Our final Volleyball sessions took place yesterday with Coach Sam from Kelly Sports.*** Students have been learning many of the important skills in Volleyball such as serving, 'digging', 'setting' and 'spiking' and have been using age-appropriate equipment to practice and play a variety of games that foster and develop these important skills. The program has been very successful once again and our students have now had an opportunity to learn the skills promoted by Volleyball Victoria in a sport they might otherwise not have participated in until Secondary College.

***All Shepparton Junior Soccer Association teams had a rest for the long weekend but our four Congupna Cruisers teams will be back in action again this weekend.*** There are two matches in the next two weeks on the 17<sup>th</sup> and 24<sup>th</sup> June before we have a break over the holidays and resume nearly a month later on July 22<sup>nd</sup> which is the weekend after the first week of Term 3. Go Cruisers!

***Also a reminder that soccer training is on again this Friday at 4:00pm for under 6's at school.***

***Please continue to return permission forms for our Alpha Cluster Excursion next week.*** This performance is always a lot of fun and will be based on a Hans

Christian Anderson fairytale, "The Snow Queen", upon which the very popular animated movie "Frozen" was based. There is always a focus in these shows on building Social & Emotional Learning Skills and this show's focus is on courage which fits very well with 'We are BRAVE'. We look forward to Alpha's first new production in five years!

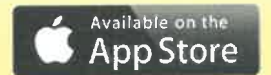

***Student Reports will be distributed in the final week of this Term. If your child is away for any reason, including our Grade 5/6 DOXA School Camp to Melbourne, these Reports will be posted to your home address.*** Please contact us if you need to update your home address details with the school.

***Finally, please see the attached School Uniform List.*** This is a simplified version that contains a single price for all items regardless of size. You will also notice that we have reduced the price of many items in an attempt to reduce our stock levels and eventually supply only items that have our school logo upon them. Get in quick while we have a full range of sizes in nearly all items and bring the correct change if possible.

***Thanks for Reading, Adam Cleary - Principal***

Thought for the Week  
It often takes a long time to  
find a shorter way.
