Dear School Community,

Grade 2/3 student Chase Adams recently took part in an opportunity presented to him by a children's charitable organisation in Queensland and he had an amazing time! He attended a motocross performance and a behind-the-scenes look at Movie World on the Gold Coast. This trip was provided for him to 'promote inclusion and grant life-changing wishes for underprivileged children with special needs'. A special video was made of his trip and will be presented to his Grade 2/3 classmates early next week. Channel Ten's 'The Project' will be attending to cover this positive story and a couple of children will talk about Chase and how well he is doing at school. This has been a very positive story about inclusion for the school and we look forward to promoting the school in this very positive light. If there are any parents or carers (particularly in the Grade 2/3 classroom) that would prefer not to have their children potentially appear on national television in this context, please contact the school.

Our Alpha Cluster Excursion takes place tomorrow afternoon and is titled "The Snow Queen". As mentioned last week, this is based on the same original Hans Christen Anderson fairytale as the recent animated "Frozen" movie. This is always a highlight of the Term for teachers and students alike and I look forward to 'unpacking' the fairytale back at school and finding themes that relate to being Brave.

Our Grade 5/6 students will be attending DOXA camp next week in the last week of Term 2 and reports will be sent home via mail to those children who do not have younger siblings in more junior classrooms. Grade 4 students will attend both of our junior classrooms at different stages throughout the week to help and guide our younger students, to join in some different classroom tasks and to complete some work left behind by Mr Pettigrew.

This will be the final weekend of Shepparton Junior Soccer for the Term before we start again on Saturday 22nd July. Go Cruisers!

We have a Parents and Friends Meeting this evening (Wednesday 21st June) at 6pm. Mrs Sidebottom has kindly let us use the junior classroom once again.

School Permission forms will now be on coloured paper to make them more visible in school bags.

You will also notice that there are two weeks worth of Student Awards in the latter pages of this newsletter. Two weeks worth of awards were presented at last week's assembly.

Thanks for Reading, Adam Cleary - Principal

Thought for the week
You should praise in public
and criticise in private.

Congupna Cruisers Round 7 Wrap

Under 6's

It was a big week in under 6 Cruisers Soccer this week. Our first proper training session on Friday was a great success. Stopping the ball and dribbling were what we practiced and those skills were on display in our first goal. Alex got a great stop they kicked it again and Sophie got a great stop and Cooper swooped in and kicked our first goal. We played the Kinderroos group. Jesse was captain this week and did a great job. Tait got a great goal shortly after and spirits were high at 2-0. Then they scored but we kept our heads and stayed to the 'kick it long' game plan and we got a third goal through a great cross from our captain Jesse to Rueben who found the back of the net. 3-1. Then 2 Cruisers made a great breaking play and ran the length of the field with the ball passing back and forth and scored a great goal, however they ran the wrong way and it was a goal at the wrong end. We all cheered as it was such a great play anyway. Game ended 3-3 and everyone had a ball. Awards went to Tate, Hamish for applying training skills so well and Alex for showing courage when the ball was kicked full into his face (very hard) he shrugged it off and straight away got the ball and put us back into attack. He could easily have walked off but instead he played stronger and harder.

Well done Cruisers, Coach Jason

Under 7's

It was back to playing Numurkah Knights as our players did in the first game of the year and our improvement was obvious for all to see. I have run out of superlatives to use to describe how well they are doing! Our players are dribbling, passing, encouraging their teammates and now even helping opposition players to their feet after a tangle on the field. I was most proud to witness such great sportsmanship and I really couldn't ask for our team to represent themselves, their families or respective schools any better.

The final score was 12-0 with all players scoring yet again—Kai (4), Dayne (3), Tom (2), Jack (2) and Narley (1). Our Encouragement Award went to Narley for doing extra practice by himself at Zeerust PS and the Pizza Hut Award went to Kai for his outstanding dribbling skills under pressure.

Coach Cleary.

Under 8's

Under 8s played Guthrie Jaguars last weekend. It was another tough game for the team and without an interchange bench the team were exhausted by the completion of the game. Diesel and Amaia were kept busy as goalkeepers and both made some great saves. Leigh, Lloyd and James showed some good ball control in the midfield. Bodie and Lilly displayed some good determination in defence. Keep up the good work.

Coach Linton

Under 10's

Our U10 Cruisers had a fantastic win against Numurkah this week with final scores 8/1. Our goal kickers this week were Sean 3, Hunter 2, Ethan 2 and Aden 1 off his knee which was very impressive. Well done to our goalies, who didn't see a lot of action this week. Everyone played a great game with excellent defending and loads of energy to chase down the ball every time. We had some great passing to everyone in the team. Even half time could not bring our Cruisers in from the field they were still out practising for goals. Award this week went to Ethan.

GO CRUISERS

Kylie Sutton 😊

Students of the Week!

From left; Stephen Morley, Izzy Guthrie, Darcy Jackson and Reuben Davis

We are CURIOUS' Award

For displaying qualities at school that make this student a CURIOUS person. Bravo!

Reuben Davis - For being curious to find out more information to challenge himself.

Darcy Jackson - For challenging himself and working on being curious.

Stephen Morley - Curiosity is his middle name. Naturally curious and fun!

Kiwanis TERRIFIC KID of the Week

Izzy Guthrie - For always trying her best and helping others. Well done!

Students of the Week!

'We are CURIOUS' Award

For displaying qualities at school that make this student a CURIOUS person. Bravo!

Hamish Scott - For always showing curiosity towards your learning by asking questions.
Awesome!

Sean Miles - For being curious in class and thinking about his questioning.

Mason Papadopoulos - For being so curious and questioning everything!

Kiwanis TERRIFIC KID of the Week

Mason Uniacke - For demonstrating a positive attitude and having a go at everything.
