Dear School Community,

Our Book Fair has now taken place and students have created Wishlists, family invitations have been sent home and hopefully, parents and carers have had an opportunity to visit. If not, then instructions on how you can participate online have been sent home and posted on Seesaw. These **forms must be returned by tomorrow** so that we can perform the reconciliation. Thank you very much for your support.

Our **Sporting Schools soccer sessions yesterday were postponed due to inclement weather**. Andrew will complete his last coaching session in the coming weeks.

Our **Creating, Cultivating and Caring @ Congupna (CCC@C) sessions have been terrific this Term** and I can confirm that local artist Tank is now getting involved. Students are very excited about contributing to the ideas that Tank will use to brighten up the school and promote positive mental health for our students. Our beloved CCC@C sessions will continue with Katie Thorp next Term.

Our **Attitudes to School Surveys have taken place for Grade 4-6 students this week**. Results from these surveys measure the school's success from our students' point of view and we use this feedback to identify areas for improvement from year to year.

Thank you to all of our catering volunteers last Thursday at our Congupna Football & Netball Club Community Tea next door. Our Parents and Friends Committee have had a very successful Term and we have indicated that we would like to cater for one more of these this Football and Netball season. **We hope to have some new volunteers available for the next event.** Well done.

Parents & Friends Pie Orders arrive tomorrow and will be **available at the front gate at 3pm after Assembly**. Please make sure you are available to pick them up as the school cannot store them for you. Our tiny freezer is already full of ice packs!

School Beanies have arrived and are on sale for \$12 to non-students and \$5 for students. **Please let us know whether you would like a pom pom attached when you place your order.** We will be writing student names on the tag so that we can identify beanies and return them to the correct owners at school. They look terrific. **Well done to our Student Leaders for organising** and subsidising such a practical and promotional enterprise!

Thank you for your support with picking up children from school when they have been unwell, not sending them to school if they are symptomatic and holding them back for between 24 and 48 hours if students have vomited. With the pandemic still lingering, some nasty flu strains emerging and local cases of gastro doing the rounds, it is important that we work together as a team and resist sending unwell students to school. As difficult as it is for parents to keep children at home and for teachers to maintain learning at school, **it is a very necessary intervention to help keep us all well. Thank you.**

We have a shortened school week next week with the King's Birthday Long Weekend and then a Curriculum Day (Student Free Day) on Friday. Staff will be attending the second of four professional learning days on the Berry Street Education Model.

Thanks for Reading, Adam Cleary – Principal.

Thought for the week

CONGUPNA CRUZERS Soccer Report

Under 6's

This week we played another team from Orrvale and we are definitely improving every week. Our passing was the highlight this week with players going out of their way to stop, look around and pass the ball to a friend. It really was terrific. Goals were scored often and freely by both sides and all of our Cruzers players had fun. We have the upcoming long weekend off before regrouping for one weekend before the school holidays where we have three weekends off. The players and parents should be very proud of how far they have already come. Go Cruzers!

Coach Adam

Under 7's

This week we played another school team in Shepp East. Lincoln was our captain and put in a strong effort with many break away attempts at goal. The kids showed great team work with 3 team goals from Lincoln, Billie and Jordy who all worked together to score. Harriet was able to stop several attempts at the goal from the opposition and Addi showed her speed when chasing after the other team with determination in her eyes. Zoe was great in the midfield intercepting the ball and sending it back towards our goal. Our encouragement awards this week went to Billie and Lincoln. Well done team!!!

Coach Amy

Under 8's

This week our Under 8's had a full side for the first time in weeks, assisted by a new addition in Ari. He was quickly welcomed into the team and did well chasing the ball along the pitch. Flynn and Archer both saved some goals in their time as keeper whilst Alby and Mark assisted with their excellent defending. Zoe's strong charge lead to our first goal followed later by Jorden with a second. Daisy and Jack helped clear the ball many times and overall the team all showed their improved skills. Ari and Jorden won our awards this week with Ari showing great effort for his first game and Jorden for his toughness after several falls and a great goal. We look forward to the week off for a well deserved rest.
