Dear School Community,

Our CCC@C (Creating, Cultivating & Caring at Congupna) session last week with Katie Thorp was terrific. Students loved spending the day in the garden and sprucing up the garden shed! We have now planted seeds in a small greenhouse and have tidied up the 'Garden Classroom', which resulted in a much more user-friendly space under cover attached to the garden shed. We also planted garlic in the vegetable garden and the Grade 3/4 Classroom had a special opportunity to run through the Pony Paddock observing what they could see, smell and hear, which they loved. Our next two CCC@C days will involve a Nutrition session and a Planting Day as part of the 'One Tree Per Child Program' on Friday 11th August.

New classroom teacher *Amelia Mangiameli has arrived and enjoyed her first day yesterday.* It is lovely for our students and Miss M that we can have an extended period for her to spend with Mrs T before she takes Maternity Leave. *Miss M will also accompany Mrs T at our Student Learning Conferences tomorrow* and this will be a great opportunity for all families to introduce themselves.

I would also like to share with you all that *Mrs Sidebottom is taking leave from Monday 7th August, and she will return on Wednesday 13th September.* She will have next week at school before 'handing over the reins' to both *Mrs Colleen Toy (Monday - Wednesday) and Mrs Katrina Campbell (Thursday & Friday)* over this time. Both teachers already know our students well and have taught this classroom earlier this year. Our Teacher's Aides will continue to be a supporting presence and we will have Miss M available to assist when required. The school is confident of both a smooth temporary absence and transition for our two junior classrooms.

Our **Student Learning Conferences take place tomorrow and an amended timetable is attached.** Please contact your classroom teacher directly if this time is not suitable and arrange an alternative time. Please be aware that we must keep these times restricted to fifteen minutes and if there are conversations that need to eclipse this allotted time, another meeting will have to be scheduled. There are many families with multiple siblings, and we need to avoid any delays so that people's time is not wasted. Thank you in advance for your prompt arrival and departure.

Our Parents & Friends Committee have done a wonderful job this year raising nearly \$5,000 so far and contributing to our new outdoor seating (of which some is still waiting to be installed properly), two new school gazebos, two new eskies for school events and fundraising and three lovely new signs for school events and to promote our great little school. They have done a magnificent job this year already with most of our larger fundraising events having already taken place but a few relatively smaller ones remaining. We are still seeking some catering volunteers for our Community Teas so please see the attached Roster. Don't forget that you can bring the kids or the whole family along. Thank you in advance.

Our *F-2 students* will get an opportunity to attend a *Matinee Full Dress Rehearsal of 'Moana' performed by the Junior School at Goulburn Valley Grammar School*. This will take place at Westside in Mooroopna on *Wednesday 9th of August* and will be completely free of charge. *Green permission forms* have been distributed today.

After our School Council Meeting earlier this week, I can confirm that a date has been set for an *upcoming Working Bee on Sunday 20th August at 10am*. Please mark this on your calendars. There will be more information to come regarding our jobs list and what to bring.

Finally, if you ever buy groceries at *IGA*, please take the time to sign up for Community Rewards and nominate Congupna Primary School. Last year we received \$4,200 which accumulated at no expense to our school community. What a bonus!

Thanks for Reading, Adam Cleary – Principal.

CONGUPNA CRUZERS Soccer Report

Under 6's

We had our full complement of players this week and even had enough to lend a player to the Guthrie Wildcats! Thank you very much to Asher and Azhalia for playing a half each to help even up the numbers. As we spoke about after the game, it will be someone else's turn next time this happens. Again, I was most impressed with our whole team's balance between defence and attack and our willingness to pass the ball to a teammate rather than just blaze away with a big kick down the field. Congratulations to Dooly and Azhalia for receiving awards but all players were terrific once again. We play the Guthrie Cheetahs this week at 12:30pm on Pitch 6F and I look forward to watching our continued progress and maturity as a team. Go Cruzers (And Matildas!)

Coach Adam

Under 7's

Our team was back to normal this week with the return of Harriet and Addi for an exciting mid morning game. The kids were full of beans and thrilled to be all playing together again which made for an exciting game of soccer. Our Cruzers played against Kyabram knights and managed to defend off many attempt at goal early on. There was lots of running up and down the field with Harriet and Jordy showing their speed to intercept the ball often. Billie stuck to the opposition and went for the ball without fear often to try and gain possession. Lincoln scored a thrilling goal in the first half with the support of Jordy to get past the opposition to find the back of the net. Zoe was great hanging back and intercepting the ball when the other team were trying to get it towards their goal and Addi showed some great power with some big kicks. All the kids did a wonderful job and they played so well as a team. Each week the kids turn up and do their best which is great to see. Harriet took home the award this week. Well done Cruzers!!!

Coach Amy

Under 8's

Under 8 Cruzer's enjoyed a sleep in this week with an 2.30pm start against Guthrie Street. The opposition were strong for the entire game and this kept it a low scoring match. Alby kicked an excellent running goal in the second half and Jack almost followed, with his just hitting the post and bouncing out. Archer had a great first half in Goalie, stopping goals with great kicking defense and Jorden followed in the second half with lots of ground stops. Alby, Ari and Mark did their usual good work running all over the pitch and keeping the ball at our end. They were assisted well by Flynn, Daisy and Zoe all attacking hard. Jack also had some great runs at play. Overall I was very impressed with all players being kind and brave against opposition who didn't follow our high standards and thank the parents for their loud vocal support to encourage all the good our team performed. Our awards went to Daisy for her strong attacking of the ball and Archer for being brave and trying very hard, which ended in some impressive game play.
