## Congupna Primary School - Your Local Neighbourhood School

*State Schools are Great Schools* and government schools in the Goulburn Area work together to ensure that your child will receive the same high level of learning and support at each and every school. All students are entitled to attend their nearest local school and it is the strong opinion of Principals that your closest school is often the best school for you.

In exceptional circumstances, an alternative school may be appropriate. You may be able to enrol in a school that is not your designated neighbourhood school. In this situation, please meet with your local Principal to discuss your schooling options.

To find your designated neighbourhood school, please go to:

<https://www.findmyschool.vic.gov.au/>

At Congupna Primary School we encourage all students to be kind, brave and curious learners who continually strive to produce their best. An opportunity to view our school's quality programs and supportive learning environment will be provided through school tours.

You are also welcome to make an appointment after the group tour to explore any further enquiries you may have.
